Items discussed were:

1. Minutes of the June meeting were read and approved, motion to accept by Emmons, seconded by McDevitt, passed 6-0.
2. The request of Daniel Squire for a reciprocal City of Binghamton Class "A" Master Electrician License was denied. Mr. Squire has a Residential License from the Town of Amherst and Master License from the City of Tonawanda, the City of Binghamton does not recognize these as the testing is not compatible. He would have to apply and take the City of Binghamton electrical exam.
3. An application from Christopher Barry for a Class "C" Master License was read and approved. Mr. Barry has a Master License from the City of Syracuse which this Board will accept. He will be on the Gateway Homes project with A-M Electric, licenses will be required by the workforce. Motion to accept by Emmons, seconded by Eggleston, passed 6-0.
4. Street Light project may be performed by Schuler-Haas, they have placed several "pilot lights" up to see how the new lights will perform.

Business Manager of Local 325, Tom Spicer, was in attendance to discuss any solar installation regulations. All PV work will be performed according to the *National Electrical Code*.

There being no further business before this Board a motion was made by Emmons, seconded by Eggleston to adjourn at 11:00am, passed by unanimous voice vote.

The next meeting is scheduled for Wednesday August 5, 2015 at 10:30am.

Respectfully Submitted,
